IN RE: Request of AT&T Communications of the)	ORDER
Southern States, Inc. to Implement 1+)	GRANTING
and 0+ Presubscription for IntraLATA)	PETITION TO
Toll Services in South Carolina.)	INTERVENE
)	OUT-OF-TIME

This matter comes before the Public Service Commission of South Carolina (the Commission) on the July 10, 1995 Petition for Leave to Intervene Out-of-Time filed by United Telephone Company of the Carolinas (United).

United states that it begs leave to intervene out-of-time because of administrative oversight and error. Apparently, the proper materials were not directed to the appropriate people within United which were responsible for handling the present Docket. United therefore failed to intervene prior to the return date in the case.

The Commission has examined this matter and believes that United has stated good cause to intervene out-of-time. Further, the Commission believes that no prejudice will result to any parties as a result of allowing United to intervene. The Commission therefore believes that the relief sought by United should be granted.
